Year 10 Homework platforms – Hele's School 2022

All homework in all subjects will be recorded by teachers on Classcharts, for parents and students to see via the Classcharts App. The work itself will be outlined in Classcharts, and could take a variety of formats. It may be exercise book based, may require the use of Knowledge Organisers for learning, may be set as an assignment on MS Teams or may be online on a subject specific platform. Subject specific platforms which we use are referenced below.

Students are often required to set their own passwords and of course, for data protection reasons, these are not shared with staff. Students are asked to keep a record of any passwords they set, and all platforms have a "reset password" function if needed.

Many subjects set assignments through MS Teams. If Classcharts refers a student to a Teams assignment, they should log in to Teams in the same way that they log into the school network. A Year 10 network log-in is in the format username@heles.plymouth.sch.uk , where username is typically 18SURNAME. Students set their own password.

To find out more about GCSE Pod, please follow this link https://www.gcsepod.com/book-a-gcsepod-demo-student/

Subject	Platform	Password info
English	Doddle	Username: firstnameSURNAME18 Password: Password10
Maths	Sparx	Username: firstnamesurname (all lower case) Password: Students set own and have to request a reset by class teacher from log in page
	Dr Frost Maths	Username: username@heles.plymouth.sch.uk Password: students set their own.
	MyMaths	School Username - heles / School Password – triangle Then students have own portal log in eg 1234/efg
Science	Educake	User logins are in the format "firstname, surname initial, number". For example Joe Bloggs could be: joeb0003 Students will have been given their username by their teacher with a random password that they should have changed. If this is lost, they can request a reset.
	GCSE Pod	Username: username@heles.plymouth.sch.uk Password: as for school network
Computing	SENECA	Username: username@heles.plymouth.sch.uk Password: students set their own.
Business Studies	SENECA	Students will have received an invite from their teacher. Username: username@heles.plymouth.sch.uk Password: students set their own.
Design Technology	E-revision	Username: School email address username@heles.plymouth.sch.uk Password: students set their own
Geography	SENECA	Students will have received an invite from their teacher. Username: username@heles.plymouth.sch.uk Password: students set their own.
History	GCSE Pod	Username: username@heles.plymouth.sch.uk Password: as for school network
PE GCSE	SENECA	Students will have received an invite from their teacher. Username: username@heles.plymouth.sch.uk Password: students set their own.
	GCSE Pod	Username: username@heles.plymouth.sch.uk Password: as for school network
Religious Studies	SENECA	Students will have received an invite from their teacher. Username: username@heles.plymouth.sch.uk Password: students set their own.
	GCSE Pod	Username: username@heles.plymouth.sch.uk Password: as for school network
