

Computer Science revision

All your revision resources can be found on Microsoft Teams in your class notebook.

If you go to <https://www.office.com/> and enter your email address which would be:

username @heles.plymouth.sch.uk

Your password should be the same as your school password. This should allow you to access MS Teams via the toolbar on the left-hand side of the screen.

This video will show you how to download MS Teams on to your phone or home device: <https://bit.ly/32CD0yO>

Once on the class notebook you will find the following sections:

- Course overview
 - Details of the OCR course
- Units of work
 - All the worksheets and revision videos we use in lessons
 - Knowledge organisers for each unit of work
- Revision resources
 - Hints and tips on how to revise
- GCSE questions
 - Past exam papers
 - Past exam paper mark schemes
 - Examiners reports which show misconceptions
- Python
 - All the python revision resources that we use in lessons

If you require any further assistance with any of the above please speak to your Computer Science teacher or email Mr Edwards edwards@heles.plymouth.sch.uk
