

Summer School 2021

In accordance with the conditions of the funding we have provided below brief details of our summer school. Our summer school ran for 5 days between 09/08/21 to 13/08/21. The summer school was extremely successful with a high take up 93% of those invited attended.

The summer school had themes of fire, earth, air and water and onsite and off-site activities were included.

The objectives of the summer school were as follows:

- To provide a foundation in some new subjects and help bridge any gaps in learning
- To provide new students with valuable social and educational experiences
- To provide an inclusive programme of fun and educational learning
- To provide opportunities for learners to experience success and to celebrate their achievements
- To develop trust and whole school team spirit
- To engage learners in fun and active reviews where they reflect and think about what they have learnt

These objectives were met and included such activities as:

- Water sports
- Float to Live – RNLI training
- Circus skills workshop
- Mindfulness workshop
- Music and Art workshop combining STEM
- Pizza making workshop with the MFL Department
- Moorland walk with Dartmoor search and rescue combining geography and numeracy
- Sports workshop
- Mini Armed forces/emergency services day

The summer school was deemed a success.
