## Microsoft Teams (and School Shared Area - W Drive)

This contains the most useful resources that you will need:-

Activities to complete:-	Study aids:-
<ul style="list-style-type: none"> <li>- What I need to know checklists to assess current level and see what you need to learn</li> <li>- Glossary booklet to complete and learn key terms</li> <li>- Unit testing sheets to learn knowledge - cover one side and see what you can remember</li> <li>- A3 revision sheets for each unit</li> <li>- Multiple choice questions and answers so you can test yourself on each unit</li> <li>- Past papers and questions in timed conditions</li> </ul>	<ul style="list-style-type: none"> <li>- Powerpoints from each revision lesson to re-cap exam technique and key points</li> <li>- Completed glossary</li> <li>- 2 x Knowledge organiser booklets for paper 1 and paper 2</li> <li>- Revision tips and guides</li> <li>- Course companion book</li> </ul>

**Lunchtime Help:-**  
 Drop in sessions available in CR1 if you would like any extra help with a particular topic area.

It is just as important to revise exam technique as content

- Activities you can do at home:-**
- Go through the checklists so you know your weaknesses
  - Complete A3 revision sheets to check your knowledge
  - Make flash cards - summarise and reduce your notes, ensure you know the advantages and disadvantages.
  - Produce mind maps
  - Timed questions - make sure you include context - bring them in to be marked
  - Practice financial calculations to build confidence
