

16 – 19 Bursary Guidance Notes 2023-24

Are you eligible for the 16 – 19 Bursary?

Introduction

The bursary fund is intended to help students with the essential costs of participating in their study programme, so to help with the cost of essential books or equipment or with the cost of travelling to school or college, for example. The bursary fund is not intended to support costs not related to education (living costs), extra-curricular activities or provide learning support – services that institutions give to students – such as counselling, mentoring or extra tutoring.

There are two types of 16-19 Bursary; a **Vulnerable** Bursary, and a **Discretionary** Bursary. To be eligible to receive either of these Bursaries you must be aged over 16 and under 19 at 31 August 2023.

Should you qualify, you will need to apply by completing the Bursary Application Form and provide supporting evidence. Please read all the details below carefully.

(All applications will be treated confidentially. Photocopies of documents will be taken and the originals returned to you as quickly as possible.)

Vulnerable Bursary (V1)

Students in the defined vulnerable group are eligible for a bursary of up to £1,200 per year, and should be in one of the following: -

- young person in care, including unaccompanied asylum-seeking children
 - young care leaver
 - receiving Income Support (IS), or Universal Credit (UC) because they are financially supporting themselves, or financially supporting themselves and someone who is dependent on them and living with them, such as a child or partner
 - receiving Disability Living Allowance (DLA) or Personal Independence Payments (PIP) in their own right as well as Employment **and** Support Allowance (ESA) or UC in their own right
- (If you are a parent you will also need to be living away from your own parents to qualify.)*

If you are applying for this level of support you will need to provide evidence in written form.

Suggested forms of evidence include:-

- A letter from the Department for Works and Pensions (DWP) setting out the benefits to which you are entitled
- Written confirmation of your current or previous looked after status from the local authority that looks after you, or provides you with other leaving care services.

Discretionary Bursary (D1, D2 & D3)

Discretionary bursaries are aimed at students who would not be able to stay in education without financial help. There are three types of Discretionary Bursary.

D1 enables students to claim a larger sum for educational expenses than D2 and D3. The exact value of these bursaries will depend on the number of applications received each year.

You will qualify for the **D1** bursary if: -

- you are in receipt of Free School Meals, and/or
- you have a household income up to £24,000.

You will qualify for the **D2** bursary if: -

- you have a household income between £24,001 and £28,000.

To claim for the **D3** bursary there must be exceptional circumstances requiring a one-off payment - please speak to the Sixth Form Team if you think you may be eligible for this.

Students who are eligible for V1, D1 or D2 bursaries, and who have additional travel costs may be eligible for a higher value of bursary. Please make your Sixth Form Team aware of any travel cost you will incur.
