Recommended revision guide:

CGP geography GCSE for AQA

Where do I start? Recommended revision strategies

1. Learn the 25 words you really need to know [here](#)
2. Learn the case study key facts from Key Facts booklet [here](#)
3. Use learning checklists to identify specific areas to focus on for each topic [here](#)
4. Use your knowledge organisers to learn the basic course content [here](#)
5. Deepen your knowledge and understanding by using the other resources listed below – Seneca, revision videos and websites, quizzing, make flash cards, concept maps, record yourself talking about a topic and listen back on the bus or way to school, stick Post It notes of key facts on your bedroom door
6. Complete practice exam questions eg 1 question per day [here](#)

The linked resources are all found in the Geography channel on the yr 11 Curriculum team

Revision apps

Seneca is a really useful revision tool – students have a log in for Seneca and teachers will set some specific assignments through Seneca. Students can also access the site, just make sure you pick the Geography AQA GCSE resources

Revision videos
