

Design Technology subject revision guide

Exam board details: WJEC GCSE

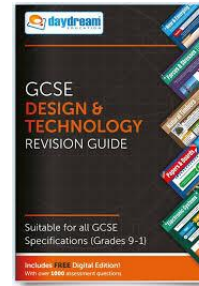

Unit 1 is examined paper duration 2 hours. Marked out of 100

Unit 2 NEA which accounts for 50% and is completed in school between September and February half term. This include a portfolio and made practical outcomes.

Revision materials (everything in yellow is in the year 11 curriculum team in the Design Technology channel):

- 1) **Mock exam revision checklist with resource pages**
- 2) **Full set of subject knowledge organisers (which students have also been given a hard copy of at start of year 10)**
3. Pocket Posters revision book (which all students have been given free + have access to a digital version too)
- 3.) Course notes from units covered in Year 10 in your DT ring binder
- 4.) Mock exam papers from year 10 in your DT ring binder
- 5.) **Other past papers and mark schemes**

Further recommended revision resource is My Revision Notes: WJEC Eduqas GCSE (9-1) Design and Technology
ISBN-10 : 1510471693
£11.00 @ Amazon

How to revise:

- 1.) **Use the PLC** (personal learning checklist) honestly to assess what you know well currently and plan revision focusing on areas amber or red.
- 2.) Use the materials mentioned previously to **prepare flash cards** with key terms on one side and answers on the other side. These can be used to test yourself. Put to one side all the questions you do not know and then focus on these. Repeat until you know them all.
- 3.) **Practice past paper questions** and then mark using the awarding body mark scheme.
- 4.) Complete your **workbooks** using the **knowledge organiser booklet** to check what you can remember. Then fill in the gaps by using that and your revision guide.
- 5.) **BBC bitesize** has Design Technology revision notes, clips and test which are good. (BBC Bitesize – GCSE - Design & Technology - Eduqas)
