Westcountry Schools Trust will review this policy annually

Westcountry Schools Trust (WeST)

Westcountry Schools Trust (the **Trust**) is a family of schools operating in the south west with schools located in Devon, Cornwall and Plymouth. Westcountry Schools Trust educates pupils from nursery to Sixth form across 13 bases and higher education students through The Learning Institute (for Trust sites see Annex 1).

The purpose of this policy is to regulate the management and operation of the Closed Circuit Television (CCTV) System across the Trust. It also serves as a notice and a guide to data subjects (including pupils, parents, staff, governors, volunteers and visitors to school sites (including members of the public) regarding their rights in relation to personal data recorded via the CCTV system on any Trust site.

Each CCTV System is administered and locally managed by individual school sites. The Trust acts as the Data Controller for all sites for the purpose of data protection legislation.

This Policy will be subject to review from time to time, and should be read with reference to the Trust and individual school's Privacy Notice(s). For specific guidance, please review the Information Commissioner's CCTV Code of Practice at <https://ico.org.uk/for-organisations/guide-to-data-protection-1998/encryption/scenarios/cctv/>

All fixed cameras are in plain sight on school premises and schools do not routinely use CCTV for covert monitoring or monitoring of private property outside the site grounds.

The Trust's purposes of using the CCTV system are set out below and, having fully considered the privacy rights of individuals, the Trust believes these purposes are all in its legitimate interests. Data captured for the purposes below will not be used for any commercial purpose.
